## ABOUT THE PROJECT

Catering not only to the professional driver, but to all travelers, this all-purpose stop offers a spacious parking lot and pump area, a large modern convenience store, family restaurant, A&W® (complete with drive thru) and Bridgeman's® Ice Cream, along with it's trucker's facilities!

## PROJECT FEATURES

- Building features two wings: one featuring a convenience store, coffee bar, A&W® fast food counter and a trucker's lounge with shower and laundry; the other featuring a full-service family restaurant.
- Bridgeman's® soda fountain anchors the two wings of the building and greets visitors.
- RV dumping station services travelers and the platform truck scale assists the professional drivers.
- A&W® drive-thru attends to the customers on the go.
- Restaurant offers a section reserved for professional drivers, complete with phones at the tables.
