ABOUT THE PROJECT

One of the many projects built by C.I. Construction to meet franchise specifications. Second franchise store for owner.

PROJECT FEATURES

- Additional features include bait & tackle, expanded deli area, office space, expanded restroom facilities, and diesel fuel.
- Site is designed for future car wash addition.
- Convenient corner location.
- Updated franchise imagery.
- Front entry highlighted by recessed lighting in the overhead canopy.

PROJECT SPECIFICATIONS

- This 3,655 square foot structure utilizes Butler Manufacturing's Widespan Building System with brick veneer.
- Butler Manufacturing MR-24 roof system.
