ABOUT THE PROJECT

Come in and relax, or hurry through the drive-thru for breakfast, lunch or dinner. Time Square not only offers a variety of fare in their food court, but also offers take-home bakery goods and gourmet items, as well as Time Square merchandise.

PROJECT FEATURES

- Two level glass storefront allows an abundance of natural sunlight.
- Upper level gas fireplace and upholstered furniture create a relaxing retreat.
- Counter-service restaurant features bagels/bagel sandwiches, specialty coffee drinks, ice cream & desserts, and take-home foods.
- Drive-thru offers quick service to customers on the go.
- Extensive use of ceramic tile in food service area and restrooms.

PROJECT SPECIFICATIONS

- Utilizes traditional structural steel and wood construction with a stucco finish.
- Utilizes Butler® Manufacturing's VSR™ Roof System.
- 638 square foot upper level seating area
- 3,200 square foot lower level
- Full use of recessed can lighting
